Thank you Jeff. Unfortunately, a couple more clarification tweaks have been identified as necessary in Appendix D, although very minor. I know you are already busy reviewing the last document, so I have included a redline version with the additional tweaks here along with a clean copy for your concurrence.

Please respond using the clean version of these documents. If possible, we need your responses by 11:00 this morning. Sorry for the rush.

Thanks,
Dan

Subject: [EXT] Updated Draft Terms of Registration

Hi Jeff. Please see the attached updated terms. We'd appreciate it if you could have your folks go through it and indicate BASF's concurrence. This reflects the most recent changes from all of the discussions, but if you see something that you don't think is appropriate for your product, please point it out to us and we'll take a look. We'll hope to hear from you all sometime tomorrow morning.

Thanks,
Dan
